CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 03/23/04
AGENDA ITEM 2
WORK SESSION ITEM _____

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT: Baumberg Avenue New Sidewalk, Industrial to Arf: Award of Contract.

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolutions that:

1. Award the contract to Fanfa Inc., of San Lorenzo, in the amount of $349,500; and
2. Appropriate $17,000 in the Measure B Tax Fund to complete the project.

DISCUSSION:

On January 20, 2004, the City Council approved the plans and specifications and called for bids to be received on March 2, 2004.

This project is the result of an approved application under the Safe Routes to Schools Program. The project will construct curb, gutter, sidewalk, and wheelchair ramps, and will widen the street to accommodate parking lanes and two traffic lanes along both sides of Baumberg Avenue, between Industrial Boulevard and Arf Avenue, and similarly along portions of Arf Avenue (see Exhibit A). The improvements are generally within existing right of way with the exception of a few locations where the property owners agreed to dedicate the necessary strips of right of way. Additionally, the project will install storm drainpipes and inlets on Baumberg Avenue to eliminate the frequent ponding along this school access route.

The Safe Routes to School Program is federally funded and requires a 10 percent City contribution, which is being funded through the Measure B Pedestrian/Bicycle Program. As a federally funded project, Caltrans has concluded that it qualifies for a categorical exclusion under the National Environmental Policy Act. The project is also categorically exempt under the California Environmental Quality Act Guidelines, under the minor alteration of existing facilities.

On March 2, 2004, we received 13 bids ranging from $349,500 to $570,511.65 (see Exhibit B). Fanfa, Inc., of San Lorenzo submitted the low bid of $349,500, which is approximately 7 percent below the engineer's estimate of $377,000. J.W. Riley & Son, Inc., of Emeryville submitted the second lowest bid of $375,774, approximately 0.3 percent below the engineer's estimate.

A federal Disadvantaged Business Enterprises (DBE) program goal was established at 9 percent. The low bidder has listed DBE participation of 47.69 percent in its proposal, which exceeds the established goal. The low bidder is a DBE certified contractor. Under the Federal DBE Program, a DBE prime contractor may be counted for the established goal. Staff recommends award to Fanfa, Inc.

PROJECT COSTS:

Contract Construction:	349,500
City Labor and Materials, Utilities	20,500
Design and Administration	75,000
Inspection and Testing	25,000
TOTAL	$ 470,000

FUNDING:

The 2003-04 Capital Improvement Program includes a total of $453,000 in the Measure B Tax Fund for this project. A total of $408,000 will be reimbursed from the Safe Routes to Schools Program. An appropriation of $17,000 is recommended from the Measure B Tax Fund to complete the project.

SCHEDULE:

Award Contract	March 23, 2004
Begin Construction	April 19, 2004
End Construction	September 8, 2004
