RE: Public Comments & agenda.

My name is, Robin John I live on Patrick ave in Hayward cross street is Tennyson. It is a 4 lane street w/ easy freeway access, & is Busy day & night, approx 2+ years ago, had petitions Re: Speeding. & other Issues as well.

(1.) Patrick ave needs Bright lines as well as Reflectors. Tennyson Rd also.

(2) Flashing lights along the cross-walk from Patrick to Library.

(3.) A Current speed camera = Showing speed between Tennyson Rd / Kentucy Fried Chicken & the Library. It has become a Raceway & Very dangerous.

(4) Weeks park. it should be well equipt for the Handicapped, mostly the muddy Trail That Just needs Cement To the path.

(5) Mission Blvd - Being all torn up, For what was supposed to be a Vehicle Row. Well now there are now only a few car loks & Cars are getting the allignment of there cars off, because of it.

(6) Why are the Residence's not Notified about the Sex preditors in the neighborhood, That Could be Just Next door.

(7) Camera's; cannot replace a real OFFicer only To (protect & serve) & Feed Their Family, or catch the drama on the streets.

(8) Our Kids & Including Myself, are Bored. There is Nothing To do fun. everythings Shut down like example - We used to have Skateing Rinks as well as Ice arenas Bowling, Night clubs To dance; places for people to Bring out there nice Cars & Bikes out To enjoy with the public. Now we have Kids either Doing drugs, or on the Computer, or Texting.

(9) Disability & Homeless have no where to live, but we have Numerous Buildings Vacant & up for lease. These Could be a Shelter Until leased out, Law Enforsement Would have to make sure it's a Shelter, not a place with any disrespect.

(10) where is the money at? in so many accounting Issue's ways & who audits the accountants?

& More
