Re: Illegal Dumping Ordinace

Please vote to impliment the Illegal Dumping Ordinance. I live off Huntwood Avenue between Harder and Tennyson Roads, an area of rental housing and apartment buildings. The streets are littered with mattresses, furniture and general rubbish due to the frequent turnover of the units. Between the Tennyson Neighborhood Association and the Glassbrook Clean Team, along with Keep Hayward Clean and Green, there is still a considerable amount of trash out on any given day.

I urge you to vote YES for the Illegal Dumping Ordinace and back the grass root efforts of the local citizens who care and give of their time to maintain the area.

Thank you for your consideration.
