

'2nd Annual Vintage Alley Car Show' September -12 -2015

Sponsored by Vintage Alley, Kustom Classic Bombs Magazine, The City of Hayward, D.B.I.A., U.M.D.H. and Chabot College Puente program.

The Vintage Alley Car Show is an all day Saturday event that is dedicated to our **local merchants** and our **community**, it's an excellent family event with live music, over 50 vendors, face painting, and plenty of beautiful cars to admire some from as far away as Nevada and San Louis Obispo with an estimated 4 thousand people visiting through out the day, with no alcohol.

The last car show (Sep.-6-2014) has brought an endless amount of positive feed back from our local merchants, costumers, even our downtown beat officers were impressed on how smooth and organized and clean the show was during and after the event.

Thanks to the volunteers that stepped up in a proud effort to make this happen.

The Vintage Alley Car Show Staff has a goal to make this an Annual Quality Family Event that brings a day of fun and excitement to our City and our local economy.
