9. **Adjournment: 8:02 pm**

At the Hayward Youth Commission Meeting on Monday, September 01, 2007, the following three projects were developed and adopted as the 2007-2008 HYC Projects:

**UPDATES:**

**1. High School Nutrition Project**

HYC Participants: Bryant Johnson, Sant Kumar, Andrew Quan, Ana Rangel, and Shaminder Singh.

Advisor: Christy Gerren, Hayward Unified School District

Goal: To expand the Nutrition Project, that Shaminder Singh got started at Tennyson HS, to other HUSD high schools.

Report: Cm. No report at this time. Christy will try and contact Stephanie Martin regarding information.

**2. Community Outreach Project**

HYC Participants: Jessica Bravo, James Dixon, Carol Garcia, Rigoberto Lara, and Jessica Munoz.

Advisor: Millie Saad, City of Hayward

Goal: To promote the Hayward Youth Commission, provide HYC with more visibility in the community, recruit for new members, and advertise ways in which HYC is addressing youth issues.

Report: No report at this time.

**3. Teen Friendly Hayward Survey Follow-up Project**

HYC Participants: All HYC Members and Advisors

Advisor: Sean Lange, Hayward Area Recreation and Park District

Background: In the June 2001 report of the Teen-Friendly Survey Project, done by the HYC and Advisor Millie Saad, 65% of the 1800 teens surveyed believed that Hayward was not a "teen friendly place." One of the top three reasons given was "not enough programs, fun activities and safe places for teens in Hayward." In 2006-07, HYC undertook an interview-based update of the survey to find out if youth perceptions of the teen-friendliness of Hayward have changed. This is a continuance and expansion of that project.

Report: No report at this time.

Suggested Steps:

- Complete tallying of the follow-up interview data (Monday, November 5 @ 4PM – City Hall – all HYC members and advisors who are available – HYC meeting will follow at 7PM);
- Analyze the data – what are the results and conclusions;
- Identify ways to address the results. For example: Is there still a need for more teen-friendly places in Hayward? What areas of the City would be likely locations?
- Present the results at the January 2008 Hayward Local Agencies Committee (HLAC) Meeting.
