She would also like to see if any volunteers are interesting in helping with the museum, and if there can be volunteers who can speak more than one language. The museum is going to represent Ashland, Cherryland, Mount Eden, San Leandro, and Hayward. They have a few historical sites here in Hayward that they also help with, like the Meek Estate. The new museum will include a children's location in the new museum for children to enjoy. One exhibit is going to feature our city council liaison, Mr. Zermeño.
