CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 2/25/03
AGENDA ITEM 2
WORK SESSION ITEM _____

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT: Soto Road Bicycle Lane: Award of Contract.

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution that awards the contract to Rosas Construction, in the amount of $116,856.

DISCUSSION:

On December 17, 2002, the City Council approved the plans and specifications and called for bids to be received on January 28, 2003.

The project will construct curb, gutter, and sidewalk along the west side of Soto Road, between Ambrose Court and the Greenway Belt near Culp Avenue. Where sufficient right-of-way did not already exist, a nine-foot-wide acquisition was necessary to provide sufficient width for a sidewalk, parking, a bicycle lane, and a 12-foot-wide traffic lane in each direction. Between Winton Avenue and Culp Avenue, a bicycle lane will be signed and striped, since the new roadway will be wide enough to provide actual bicycle lanes.

Only bicycle route signs will be posted between the Greenbelt and Harder Road. The City recently received a Transportation for Clean Air grant for the design and construction of a follow-up project to construct the southern portion of this bicycle route as a bicycle lane. This work should occur in the summer of 2004, after necessary right-of-way acquisition and design is completed.

On January 28, 2003, we received seventeen bids ranging from $116,856 to $187,912. Rosas Construction of Oakland submitted the low bid of $116,856, which is approximately 20 percent below the engineer's estimate of $147,000. Fanfa, Inc. of San Lorenzo submitted the second lowest bid of $134,926.06, approximately 8 percent below the engineer's estimate.

A combined goal for Disadvantaged Business Enterprises (DBE) and Women's Business Enterprises (WBE) was established at 8 percent. The low bidder has listed DBE/WBE participation of 9.7 percent in its proposal, which exceeds the established goal. Staff recommends award to Rosas Construction.
