

CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 04/26/05

AGENDA ITEM 2

WORK SESSION ITEM _____

TO: Mayor and City Council

FROM: Director of Community and Economic Development

SUBJECT: Consolidated Landscaping and Lighting District No. 96-1, Zones 1-10 – Approve the Engineer’s Report and Order the Setting of Collection Rates for FY 2005- 06

RECOMMENDATION:

It is recommended that the City Council hold the public hearing, adopt the attached resolutions, approving the Engineer’s Report, and order the setting of annual collection rates as described herein. If there is a majority opposing the increase in annual collection rate for Zone 3 from \$328.82 to \$1,023.56, then order the current assessment of \$328.82.

DISCUSSION:

On March 8, 2005, the City Council approved the Preliminary Engineer’s Report and adopted the Resolution of Intention to order the setting of annual collection rates for the Consolidated Landscaping and Lighting District No. 96-1. A part of this action was to conduct an election in Benefit Zone 3, Prominence, to increase the annual assessments to pay for capital improvements and increased maintenance services.

The City mailed notices to property owners within all Zones and held public meetings. The April 14 meeting was devoted to the Prominence subdivision, and the March 23 meeting was for the property owners subject to the remaining zones. At the March 23 meeting, the only attendees were one property owner from Zone 7, Twin Bridges, and one property owner from Zone 10, Eden Shores. At that meeting staff answered questions about maintenance of landscaping features within their developments.

A separate meeting was held March 14, 2005, for the property owners of Benefit Zone 3, Prominence subdivision, and approximately 30 property owners attended. Staff answered questions about the appearance of the area, improvements to be made, expanded maintenance services and the proposed increased annual assessments. Over the past year, the Prominence Landscape Committee has been working with City staff to prepare a scope of work for the improvements within the tract and to solicit bids for maintenance services in order to have the most accurate estimates possible. The property owners are currently paying the maximum annual assessment, so an election must be held to increase the annual assessments.

The notices and ballots mailed to the 152 property owners within Benefit Zone No. 3 asks property owners to support/not support an increase in the maximum annual assessment rate to \$1023.56 per parcel for the following three fiscal years. In Fiscal Year 2008-09, the annual assessment would reduce to \$694.52 and would be indexed to the Bay Area CPI. The ballots may be mailed back to the City Clerk or may be hand carried to the public hearing. At the conclusion of the public

hearing, the ballots will be tabulated to determine if there is property owner support to increase the base assessment amount from \$328.82 to \$1023.56 per parcel. If a majority of the votes received are in favor of the proposed assessment increase, City Council has the authority to levy the increase in assessment. If a majority of the votes received are against the proposed assessment increase, City Council cannot levy the increase in assessments, but can continue the base assessment of \$328.82.

Table No. I provides general information regarding the number of parcels within each benefit zone of the Consolidated Landscaping and Lighting District No. 96-1.

Zone No.	Name / Location	Year Formed	Type of Development	Number of Assessed Parcels
1	Huntwood Avenue and Panjon Street	1990	Residential	30
2	Harder Road and Mocine Avenue	1991	Residential	85
3	Hayward Boulevard and Fairview Avenue	1992	Residential	152
4	Pacheco Way, Stratford Road, Ruus Lane, Ward Creek	1995	Residential	175
5	Soto Road and Plum Street	1995	Residential	38
6	Peppertree Park	1982	Industrial	11
7	Mission Blvd., Industrial Parkway, Arrowhead Way	1998	Residential	348
8	Capitola Street	1999	Residential	24
9	Orchard Avenue	2000	Residential	74
10 ¹	Eden Shores	2003	Residential	525 ¹
			Total	1462

Notes: ¹ Prior to 2003, Zone 10 was only one parcel, but is now divided into 525 individual parcels.

The attached Engineer's Report includes separate budgets for each benefit zone. Only the costs for the Engineer's Report, printing, and advertising are shared between the benefit zones. The collection amounts for fiscal year 2005-06 are as shown in Table II below.

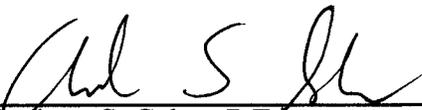

Zone No.	FY 2004-05		FY 2005-06	
	Base Assessment ⁽¹⁾	Collection	Base Assessment ⁽¹⁾	Collection
1	\$265.64	\$195.00	\$265.64	\$195.00
2	\$93.09	\$85.00	\$93.09	\$85.00
3	\$328.82	\$328.82	\$1,023.56	\$1,023.56
4	\$121.00	\$121.00	\$121.00	\$121.00
5 ⁽³⁾	\$139.12	\$139.12	\$139.12	\$139.12
6 ⁽²⁾	\$2.61	\$2.00	\$2.61	\$2.00
7 ⁽³⁾	\$672.62	\$300.00	\$693.51	\$400.00
8 ⁽³⁾	\$473.47	\$300.00	\$496.00	\$300.00
9 ⁽³⁾	\$128.45	\$15.00	\$132.44	\$15.00
10 ⁽³⁾	\$755.00	\$460.00	\$789.71	\$460.00

Notes: (1) Assessment amounts shown include a 1.7% County collection charge.
(2) Zone 6 is in the industrial district. Assessment shown is per linear foot.
(3) Base assessment shown increased by CPI for current year.

Collection amounts can be less than the base assessment amount for each benefit zone if maintenance costs are less than zone revenues, or if there are reserve funds available from prior year(s) that are carried forward. In Zones 4 and 5, maintenance expenses exceed the revenue generated by the base assessment amounts and maintenance work has been reduced to stay within available funds. While neither the landscaped areas nor the scope of maintenance services has expanded, labor and material expenses have increased. Consequently, cost saving measures such as maintenance personnel reducing their site visits from twice a week to once a week, not replacing dead plants or reducing the amount of irrigation, have been implemented. Zone property owners are notified of the annual neighborhood meetings and may contact staff or attend the meeting to discuss the level of service or appearance of the landscaped areas within each Zone. No property owners from these Zones have contacted staff or attended the meetings. An election is necessary to increase the base assessment, and may be conducted at any time. An election to increase the base assessment failed to pass in 2002.

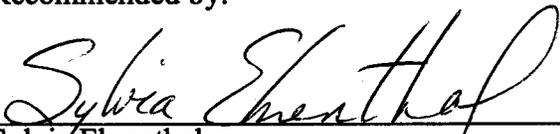

Collection amounts need to be even amounts so that half can be collected with each payment. Collection amounts that are proposed to be levied below the base assessment amounts are located within Benefit Zones No. 1, 2, 6, 7, 8, 9 and 10. Benefit Zones No. 4 and 5 will be levied at the base assessment amount.

ENGINEER'S REPORT

**CITY OF HAYWARD
LANDSCAPE & LIGHTING ASSESSMENT DISTRICT No. 96-1**

FY 2005-06

The undersigned, acting of behalf of the City of Hayward, respectfully submits the enclosed Engineer's Report as directed by the City of Hayward City Council pursuant to the provisions of Article XIID, Section 4 of the California Constitution, provisions of the Landscaping and Lighting Act of 1972, and Section 22500 et seq. of the California Streets and Highways Code. The undersigned certifies that he is a Professional Engineer, registered in the State of California.

SECTION I

**INTRODUCTION
ENGINEER'S REPORT**

**CITY OF HAYWARD
LANDSCAPE & LIGHTING ASSESSMENT DISTRICT No. 96-1**

FISCAL YEAR 2005-06

Background Information

In 1996 there were six (6) separate Landscape & Lighting Districts throughout the City of Hayward. On May 7, 1996, Landscape & Lighting Assessment District No. 96-1 was formed which consolidated each of the assessment districts and designated them as six (6) separate zones of benefit. Subsequently in 1998, 1999, 2000, and 2003, Benefit Zones No. 7, 8, 9 and 10 were respectively annexed to Assessment District No. 96-1. Each zone of benefit has a separate budget pertaining to its respective improvements being maintained, but the administrative costs for the preparation of the Engineer's Report, Council Reports, Resolutions, etc. are shared among the zones.

To ensure the proper flow of funds for the ongoing operation, maintenance and servicing of improvements that were constructed as a condition of development within various subdivisions, the City Council, through the Landscaping and Lighting Act of 1972 (1972 Act), formed the City of Hayward Landscape and Lighting Assessment District No. 96-1. The 1972 Act also permits the creation of benefit zones within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22547). Therefore, because there are varying degrees of benefit within the various subdivisions, the City Council has established ten (10) benefit zones.

TABLE 1: DESCRIPTION OF BENEFIT ZONES

Total				1471

Notes:

⁽¹⁾ Zone 6 is in the industrial district and is comprised of 11 industrial parcels.

Increases in base assessments or collection rates are being proposed for Benefit Zones No. 3 and 7. The collection and base assessment rate for Benefit Zone No. 5 cannot be increased and services have been reduced over the previous years, resulting in substandard landscaping within the common areas.

In 1992, Benefit Zone No. 3 was established and the base assessment rate was set at \$328.82 per single-family parcel. This base assessment rate does not allow for an annual increase based upon the prior year's change in the Consumer Price Index. In Fiscal Year 2003-04, a group of property owners formed a Landscape Committee for the purpose of addressing the substandard landscaping conditions that have arisen in Benefit Zone No. 3. The Landscape Committee developed a comprehensive landscape plan and presented the plan to City staff and various property owners within Benefit Zone No. 3. This Landscape Committee is proposing to fund construction of additional landscape improvements and to increase the level of maintenance for the existing and proposed landscaping. In FY 2005-06 the City will conduct a mailed ballot election to determine if there is sufficient property owner support to increase their assessments. The assessment increase may not be imposed if the number of returned ballots opposed to the proposed assessment increase are greater than the number of returned ballots supporting the proposed assessment increase. The proposed \$694.74/yr. increase consists of two components; \$365.70/yr. for increased maintenance and \$329.04/yr. for the construction of capital improvements. The assessment for constructing the capital improvements will only be charged for a three (3) year period. In FY 2008-09 the assessment increase associated with the construction of capital improvements will be eliminated. Each fiscal year hereafter, the base assessment rate, \$694.52, for the increased maintenance costs may be increased annually based upon the prior years change in the Consumer Price Index for the San Francisco-Oakland-San Jose Area.

In 1995, Benefit Zone No. 4 was established and the base assessment rate was set at \$121.00 per single-family parcel. This base assessment rate does not allow for an annual increase based upon the prior year's change in the Consumer Price Index. In Fiscal Year 2002-03, the base assessment amount for Benefit Zone No. 4 was proposed to be modified to allow for an annual adjustment based upon the change in the Consumer Price Index each fiscal year. The proposed increase in the base assessment was opposed by a majority of the property owners who voted and thus the assessment formula for Benefit Zone No. 4 could not be modified. The City has reduced the level of service within this benefit zone to coincide with the projected revenue to be received.

In 1995, Benefit Zone No. 5 was established and the base assessment rate was set at \$139.12 per single-family parcel. This base assessment rate does not allow for an annual increase based upon the prior year's change in the Consumer Price Index. In Fiscal Year 2002-03, the base assessment amount for Benefit Zone No. 5 was proposed to be increased \$60.00 per single-family parcel and to allow for future increases based upon the change in the Consumer Price Index. The proposed increase in the base assessment was opposed by a majority of the property owners who voted and thus the assessment revenue for Benefit Zone No. 5 could not be increased. The City has reduced the level of service within this benefit zone to coincide with the projected revenue to be received. City staff will be sending out a survey and meeting with the 38 property owners to determine their willingness to improve the landscaping and increase their annual assessment or index it to annual increases in the cost of living index.

Benefit Zone No. 7 collection rate is being increased from \$300/yr to 400/yr, still below the base collection rate of \$693.51/yr. When formed, a reserve fund was established to provide funding during the initial years of operation. There is approximately \$40,000 remaining, which will be utilized this year to subsidize the operations of the Zone. The increased collection rate is necessary to balance the annual costs with the amount collected from assessments.

Improvements, which may be constructed, operated, maintained and serviced by the Assessment District, include, but are not limited to:

Landscaping, street lighting, parks, trails, open space facilities, bus shelters, masonry walls, pest or rodent control and associated appurtenant facilities.

The formation of this Assessment District ensures that the operation, maintenance and servicing of the improvements are specifically paid for by those property owners who directly benefit from the improvements.

Proposition 218 Compliance

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act," which added Articles XIII C and XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for the formation and administration of assessment districts.

These new procedures stipulate that even if assessments are initially exempt from Proposition 218, future increases in assessments must comply with the provisions of Proposition 218. However, if the increase in assessment was anticipated in the assessment formula (e.g., to reflect the Consumer Price Index or an assessment cap) then the City would be in compliance with the provisions of Proposition 218 if assessments did not exceed the assessment formula.

The annual collection rates for benefit zones 1, 2, 6, 7, 8, 9 and 10 are proposed to be levied below their base assessment amount and the annual collection rate for benefit zones 4, and 5 are proposed to be levied at their base assessment amount.

In Fiscal Year 2005-06, the City is proposing to increase assessments in Benefit Zone No. 3 (Hayward Blvd. and Fairview Ave.). In order to comply with the provisions of Proposition 218 for increasing assessments the City will mail notices and ballots to the affected property owners within Benefit Zone No. 3. It is anticipated that the notices and ballots will be mailed on March 9, 2005 and the Public Hearing will be conducted on April 26, 2005. After the close of the public input portion of the public hearing the ballots will be tabulated to determine if there is property owner approval for the increase in assessments.

Below is a listing of the collection rates levied in FY 2004-05 and the proposed collection rates for FY 2005-06 for each benefit zone.

TABLE 2: ASSESSMENT RATES PER BENEFIT ZONE			
Zone Number	Name/Location	FY 2004-05 Assmt. Rates	FY 2005-06 Assmt. Rates
1	Huntwood Ave. & Panjon St.	\$195.00	\$195.00
2	Harder Rd. & Mocine Ave.	\$85.00	\$85.00
3	Hayward Blvd. & Fairview Ave.	\$328.82	\$1,023.56
4	Pacheco Wy., Stratford Rd, Russ Ln, Ward Crk.	\$121.00	\$121.00
5	Soto Rd. & Plum Tree St.	\$139.12	\$139.12
6 ⁽¹⁾	Peppertree Park	\$2.00	\$2.00
7	Mission Blvd., Industrial Pkwy, & Arrowhead Wy.	\$300.00	\$400.00
8	Capitola St.	\$300.00	\$300.00
9	Orchard Ave.	\$15.00	\$15.00
10	Eden Shores	\$460.00	\$460.00

Notes:

⁽¹⁾ Zone 6 is in the industrial district and is assessed based upon street frontage

Current Annual Administration

As required by the Landscaping and Lighting Act of 1972, the annual Engineer's Report includes: (1) a description of the improvements to be operated, maintained and serviced, (2) an estimated budget, and (3) a listing of the proposed collection rate for each assessable lot or parcel.

The City of Hayward is proposing to hold a public hearing on April 26, 2005, to provide an opportunity for any interested person to be heard. At the conclusion of the public hearing, the City Council may adopt a resolution confirming the setting of annual collection rates as originally proposed or as modified. Following the adoption of this resolution, the final assessor's roll will be prepared and filed with the County Auditor's office to be included on the FY 2005-06 tax roll.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this report.

SECTION II

**ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF THE
LANDSCAPING AND LIGHTING ACT OF 1972
SECTION 22500 THROUGH 22679
OF THE CALIFORNIA STREETS AND HIGHWAYS CODE**

**CITY OF HAYWARD
LANDSCAPE & LIGHTING ASSESSMENT DISTRICT No. 96-1**

FISCAL YEAR 2005-06

Pursuant to the Landscaping and Lighting Act of 1972 (Part 2 of Division 15 of the Streets and Highways Code of the State of California), and in accordance with the Resolution of Intention, being Resolution No. 05-018, preliminarily approving the Engineer's Report, as adopted by the City Council of the City of Hayward, on March 8, 2005, and in connection with the proceedings for:

**CITY OF HAYWARD
LANDSCAPE & LIGHTING ASSESSMENT DISTRICT No. 96-1**

Herein after referred to as the "Assessment District", I, Andrew S. Gaber, the duly appointed ENGINEER OF WORK, submit herewith the "Report" consisting of five (5) parts as follows:

PART A: PLANS AND SPECIFICATIONS

This part describes the improvements in the District. Plans and specifications for the improvements are as set forth on the lists thereof, attached hereto, and are on file in the Office of the Hayward City Clerk and are incorporated herein by reference.

PART B: ESTIMATE OF COST

This part contains an estimate of the cost of the proposed improvements, including incidental costs and expenses in connection therewith, is as set forth on the lists thereof, attached hereto, and are on file in the Office of the Hayward City Clerk.

PART C: ASSESSMENT DIAGRAM

CITY OF HAYWARD LANDSCAPE & LIGHTING
ASSESSMENT DISTRICT No. 96-1 FY 2005-06
REPORT

SECTION II

This part incorporates by reference a diagram of the Assessment District showing the exterior boundaries of the District, the boundaries of the ten (10) zones within the District and the lines and dimensions of each lot or parcel of land within the District. It has been prepared by the Engineer of Work and is on file in the Office of the Hayward City Clerk.

PART D: METHOD OF APPORTIONMENT OF ASSESSMENT

This part contains the method of apportionment of assessments, in proportion to the estimated benefits to be received.

PART E: PROPERTY OWNER LIST & ASSESSMENT ROLL

This part contains a list of the Alameda County Assessor's Parcel numbers, and the net amount to be assessed upon the benefited lands within the Assessment District for FY 2005-06. The Assessment Roll is filed in the Office of the Hayward City Clerk and is incorporated in this report by reference. The list is keyed to the records of the Assessor of the County of Alameda, which are incorporated herein by reference.

PART A

PLANS AND SPECIFICATIONS

The facilities, which have been constructed within the City of Hayward, and those which may be subsequently constructed, will be operated, maintained and serviced as generally described as follows:

**DESCRIPTION OF IMPROVEMENTS
CITY OF HAYWARD
LANDSCAPE & LIGHTING ASSESSMENT DISTRICT No. 96-1
FISCAL YEAR 2005-06**

The improvements consist of the operation, maintenance and servicing of landscaping, street lighting, open space facilities, parks, trails, and appurtenant facilities including but not limited to; personnel, electrical energy, utilities such as water, materials, contractual services, and other items necessary for the satisfactory operation of these services and facilities as described below:

Landscaping Facilities

Landscaping facilities consist of, but are not limited to: operation, maintenance and servicing of landscaping, irrigation, planting, shrubbery, ground cover, trees, pathways, hardscapes, decorative masonry and concrete walls, fountains, bus shelters, entry gate structures, graffiti removal, fences, and other appurtenant facilities required to provide landscaping within the public rights-of-way and easements within the boundaries of the Assessment District.

Street Lighting Facilities

Street lighting facilities consist of, but are not limited to: operation, maintenance and servicing of poles, fixtures, bulbs, conduits, equipment including guys, anchors, posts and pedestals, metering devices and other appurtenant facilities within the public rights-of-way and easements within the boundaries of the Assessment District.

Open Space Facilities

Open space facilities consist of, but are not limited to: operation, maintenance and servicing of drainage areas, creeks, ponds, etc. including the removal of trash and debris, sediment, natural and man made vegetation and other appurtenant facilities within the public rights-of-way and easements within the boundaries of the Assessment District.

Park/Trail Facilities

Park/Trail facilities consist of, but are not limited to: operation, maintenance and servicing of landscaping, irrigation systems, pedestrian access, asphalt bike pathways, parkways, and the removal of trash and debris, rodent control, used for the support of recreational programs and other appurtenant facilities within the public rights-of-way and easements within the boundaries of the Assessment Districts.

The following is a detailed description of the improvements that are being operated, maintained and serviced throughout each benefit zone within the District:

- **Zone 1 (Huntwood Avenue & Panjon Street)** – Tract 6041

Formed: November 13, 1990

Resolution Number: 90-256

30 parcels

- Surface maintenance of the street side of a 600-foot masonry wall along Huntwood Avenue. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility of the masonry wall as a structure remains with the individual property owners; and
- Landscaping and irrigation includes an 8-foot-wide landscaped strip along Huntwood Avenue within a landscape easement.
- For FY 2005-06, the collection rate will remain at \$195.00 per parcel. If in future years, there is a need for additional funds the collection rate may be increased up to their base assessment amount, which is \$265.64 per parcel. This base assessment amount cannot be increased annually based upon the change in the Consumer Price Index. Future increases in collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218.

• **Zone 2 (Harder Road & Mocine Avenue)** – Tract 6042

Formed: July 25, 1991
Resolution Number: 91-137
85 parcels

- Surface maintenance of the street side of a 1,000-foot-long masonry wall along Harder Road, Mocine Avenue and a segment of Sunburst Drive. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- Surface maintenance of the 800-foot-long masonry wall adjacent to the railroad tracks located on the southwest side of Tract No. 6042. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility of the masonry walls as a structure remains with the individual property owners; and
- Landscaping and irrigation includes the area between the sidewalk and wall along Harder Road and Mocine Avenue within a landscape easement.
- For FY 2005-06, the collection rate will remain at \$85.00 per parcel. If in future years, there is a need for additional funds the collection rate may be increased up to their base assessment amount, which is \$93.09 per parcel. This base assessment amount cannot be increased annually based upon the change in the Consumer Price Index. Future increases in collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218.

PART A

• **Zone 3 (Hayward Boulevard & Fairview Avenue)** – Tract 4007

Formed: June 23, 1992
Resolution Number: 92-174
152 parcels

- Surface maintenance of the street side of a mile-long masonry wall along Hayward Boulevard and Fairview Avenue. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility of the masonry wall as a structure remains with the individual property owners;
- Landscaping and irrigation includes approximately one mile of landscaped frontage along Hayward Boulevard and Fairview Avenue with significant slope areas along the street; and
- In addition, several open space areas within the tract are maintained, however, there are no funds budgeted for maintenance of the non-irrigated, non-landscaped open space areas.
- In Fiscal Year 2003-04, a group of property owners within Benefit Zone No. 3 formed a Landscape Committee to analyze the possibility of constructing additional landscape improvements and increasing the level of maintenance to the existing and proposed landscaping. The Landscape Committee developed a comprehensive landscape plan and presented the plan to City staff and various property owners within Benefit Zone No. 3. For the next three (3) fiscal years, commencing in FY 2005-06 the base assessment rate is proposed to be increased from \$328.82/yr. to \$1,023.56/yr. This \$694.74/yr. increase consists of two components; \$365.70/yr. for increased maintenance and \$329.04/yr. for the construction of capital improvements. The cost for constructing the capital improvements will only be charged for a three (3) year period. The assessment rate, \$694.52/yr. for the maintenance component of the assessment may be increased annually based upon the prior years change in the Consumer Price Index for the San Francisco-Oakland-San Jose Area. In FY 2008-09, and thereafter, the annual assessment will be the \$694.52, as adjusted for inflation.

PART A

- If the increase in the base assessment is approved by the property owners the following capital improvements would be constructed and maintained.

Year One: Bus Stop and Open Area Across Street On Fox Hollow Drive

In the Bus Stop Area weeds will be removed and the soil will be amended and prepared for new plantings. Improvements in drainage will be made. The existing sprinkler system will be used, repaired and/or upgraded as necessary. Grass will be planted in all flat locations. Trees will be replaced as needed. Assorted bunch grasses will be planted on the slopes.

In the Open Area across from the Bus Stop weeds will be removed and the soil will be amended and prepared for new plantings. The existing sprinkler system will be used, repaired and/or upgraded as necessary. Deer resistant, drought tolerant, low maintenance plants will be planted on the flat area and approximately fifteen feet down the slope. Lower plants will be placed in the flat area and three to four foot plants will be placed on the edge of the slope; plants of various colors will be used.

Year Two: Open Area South of 28525 Fox Hollow Drive

In the Open Area weeds will be removed and the soil will be prepared for new plantings. The existing sprinkler system will be used, repaired and/or upgraded as necessary. Deer resistant, drought tolerant, low maintenance plants will be planted on the flat area and approximately fifteen feet down the slope. Assorted low growing plants of various colors will be used.

Year Three: Hayward Blvd., Fairview Drive & Barn Rock Drive

Weeds and dead trees and foliage will be removed. The soil will be amended and prepared for new trees and plants. Trees, bushes and ground cover will be planted to fill in the bare areas around the perimeter of the development on both the flat and sloped areas. Deer resistant, drought tolerant, low maintenance plants of various colors will be used. The existing sprinkler system will be used, repaired and/or upgraded as necessary.

- **Zone 4 (Pacheco Way, Stratford Road, Ruus Lane, Ward Creek)** – Tracts 6472, 6560, 6682 & 6683

Formed: May 23, 1995

Resolution Number: 95-96

175 parcels

Annexed Tract 6682: January 23, 1996

- Surface maintenance of the street side of a masonry wall along Pacheco Way and along the southern and eastern property boundaries. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility of the masonry wall as a structure remains with the individual property owners;
- Approximately 21,000 square feet of landscaping adjacent to the Ward Creek Bike Pathway, including an irrigation system with electrical controllers;
- Approximately 2,100 square feet of median landscaping on Stratford Road and Ruus Lane;
- Approximately 7,500 square feet of landscaping along Pacheco Way;
- The landscaping, irrigation and appurtenances on the median island on Ruus Lane;
- Approximately 2,100 linear feet of asphalt bike pathway adjacent to Ward Creek between Pacheco Way and Folsom Avenue, and bike path striping on pathway;
- Approximately 9 drainage inlets, and 675 feet of 6-inch PVC drain pipe adjacent to the pathway;
- Approximately 50 linear feet of 4-foot-high black vinyl clad chain link fencing at two locations between Ward Creek and the asphalt pathway;
- A 14-foot-wide entry gate structure, an 8-foot-wide swing gate, and a 12-foot-wide swing gate;

PART A

- 32 linear feet of 8-foot-wide prefabricated steel bridge with wood deck; and
- Pedestrian access between Rosecliff Lane and Ward Creek Pathway.
- An adjustment to the base assessment was proposed in FY 2002-03 because expenditures were exceeding revenues. The proposed increase in the base assessment was not supported by a majority of the property owners who voted; therefore, the assessment revenue for this benefit zone could not be increased. The City has reduced the level of landscape maintenance within this benefit zone to coincide with the projected revenue to be received. For example, dead plants are not being replaced and irrigation repairs are taking longer to be performed. The proposed collection rate in FY 2005-06 for Zone 4 is \$121.00, which is the base assessment amount.

• **Zone 5 (Soto Road & Plum Tree Street)** – Tracts 6641 & 6754

Formed: May 23, 1995

Resolution Number: 95-97

38 parcels

Annexed Tract 6754: October 17, 1995

- Surface maintenance of the street side of a masonry wall along Soto Road. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility of the masonry wall as a structure remains with the individual property owners;
- Landscaping within the 10-foot-wide setback area between the masonry wall and the sidewalk (approximately 360 lineal feet);
- Landscaping and appurtenances within the 5.5-foot-wide planter strip between the sidewalk and the curb return areas across the frontage of Tract 6641;
- The curb return areas at the intersection of Soto Road and Plum Tree Street;
- Landscaping and appurtenances located within the 10-foot-wide setback area between the masonry wall and the sidewalk (approximately 440 lineal feet); and
- Landscaping and appurtenances within the 5.5-foot-wide planter strip between the sidewalk and the curb across the Soto Road frontage of Final Map Tract 6754.
- An adjustment to the base assessment was proposed in FY 2002-03 because expenditures were exceeding revenues. The adjustment would have provided for a one-time \$60.00 increase per single-family parcel and the ability to increase the base assessment each subsequent fiscal year based upon the change in the Consumer Price Index. The proposed assessment increase was not supported by a majority of the property owners who voted; therefore, the assessment revenue for this benefit zone could not be increased. The

PART A

City has reduced the level of service within this benefit zone to coincide with the projected revenue to be received. Dead plants are not being replaced, landscape maintenance personnel visit the site only once a week rather than twice, and water usage has been reduced by 20 percent. The proposed collection rate in FY 2005-06 for Zone 5 is \$139.12, which is the base assessment amount. Staff is proposing to conduct a survey of the residents this year to ensure they are aware of the District, their responsibilities, and to determine if there is any support for an increase, or to index the base assessment rate to inflation.

- **Zone 6 (Peppertree Park)** – Tracts 4420 & Lot 2 of Tract 3337

Formed: May 11, 1982

Resolution Number: 82-160

11 parcels

- Landscaping and decorative paving within the median islands in San Clemente Street between Zephyr Avenue and San Antonio Street; and
- The identification sign, fountain, lighting, and landscaping in the main entrance median at San Clemente Street and San Antonio Street.
- For FY 2005-06 the collection rate will remain at \$2.00 per linear foot due to the fact that there are sufficient revenues in the reserve funds. If in future years, there is a need for additional funds, the collection rate may be increased up to their base assessment amount, which is \$2.61 per linear foot. This base assessment amount cannot be increased annually based upon the change in the Consumer Price Index. Future increases in collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218.

- **Zone 7 (Mission Boulevard, Industrial Parkway, Arrowhead Way)** – Tract 7015

Formed: July 28, 1998

Resolution Number: 98-153

348 parcels

- Planting, irrigation, the multi-use pathway, landscape lighting and other associated improvements located within the landscape easements and street right-of-way along Mission Boulevard and Industrial Parkway;
- Medians and abutting landscaping along the Arrowhead Way entrance roads and traffic circles, including the bridge structure, signs, and decorative entry paving;
- Bus shelters;
- Walls and fences that face Mission Boulevard, Industrial Parkway, the Arrowhead Way entrance roads, the golf course and along the Line N drainage channel (including graffiti removal);
- Specialty street lighting; and
- A neighborhood park.
- For FY 2005-06, the collection rate will be increased from \$300 to \$400 per parcel to balance expenses with the amount collected each year and to maintain sufficient revenues in the reserve funds. If in future years there is a need for additional funds, the collection rate may be increased up to their base assessment amount, which is \$693.51 per parcel. This base assessment amount is increased annually based upon the change in the Consumer Price Index. Future increases in the collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218.

- **Zone 8 (Capitola Street)** – Tract 7033

Formed: March 2, 1999
Resolution Number: 99-030
24 parcels

- Surface maintenance of the 8-foot-high decorative concrete wall along the tract's Hesperian Boulevard frontage. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility of the wall as a structure remains with the individual property owners; and
- A 10-foot-wide landscaped area, between the wall and the Hesperian Boulevard frontage, to be improved with landscaping, irrigation, and other associated improvements located within the landscaped area.
- For FY 2005-06 the collection rate will remain at \$300.00 per parcel due to the fact that there are sufficient revenues in the reserve funds. If in future years, there is a need for additional funds, the collection rate may be increased up to their base assessment amount, which is \$496.00 per parcel. This base assessment amount is increased annually based upon the change in the Consumer Price Index. Future increases in the collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218.

- **Zone 9 (Orchard Avenue)** – Tract 7063

Formed: April 25, 2000
Resolution Number: 00-050
74 parcels

- Surface maintenance of the 10-foot-high decorative concrete wall along the railroad and along the south property line abutting Lot 40. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility of the wall as a structure remains with the individual property owners.
- For FY 2005-06 the collection rate will remain at \$15.00 per parcel due to the fact that there are sufficient revenues in the reserve funds. If in future years, there is a need for additional funds, the collection rate may be increased up to their base assessment amount, which is \$132.44 per parcel. This base assessment amount is increased annually based upon the change in the Consumer Price Index. Future increases in the collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218.

- **Zone 10 (Eden Shores)** – Tracts No. 7317, 7360 and 7361

Formed: June 24, 2003

Resolution Number: 03-083

525 parcels

- A five (5) acre park which includes landscaping and irrigation and play ground equipment within the development;
- Medians, park strips and parkway landscaping and irrigation within the development;
- Surface maintenance of the decorative concrete and sound walls along the perimeter and within the tract. This maintenance includes painting, cleaning, graffiti removal, and minor surface repair;
- The ownership and responsibility for the walls as structures remains with the individual property owners.
- For FY 2005-06 the collection rate will remain at \$460.00 per parcel due to the fact that there are sufficient revenues in the reserve funds. It is anticipated that the collection rate per parcel will be increased in future years as additional tract improvements and landscaping is completed. The collection rate may be increased up to their base assessment amount, which is \$789.71 per parcel. This base assessment amount is increased annually based upon the change in the Consumer Price Index. Future increases in the collection rate up to the base assessment amount would not require the noticing and balloting of property owners per the requirements of Proposition 218.
- As a condition of approval for the subdivision, the developer was required to provide prospective homebuyers with a written disclosure of the special assessment district, including an estimate of the annual assessment. This disclosure is to be on brightly colored paper.

PART B

ESTIMATE OF COST

The 1972 Act provides that the total cost of construction, operation, maintenance and servicing of the public landscaping, street lighting, open space facilities, parks, trails, etc. can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees and all other costs associated with the construction, operation and maintenance and servicing of the District can also be included.

TABLE 3: FY2003-04 REVENUE BY BENEFIT ZONE		
Zone Number	Name/Location	Estimated Revenue for 2005-06
1	Huntwood Ave. & Panjon St.	\$5,850.00
2	Harder Rd. & Mocine Ave.	\$7,225.00
3	Hayward Blvd. & Fairview Ave.	\$155,581.12
4	Pacheco Wy., Stratford Rd, Russ Ln, Ward Crk.	\$21,175.00
5	Soto Rd. & Plum Tree St.	\$5,286.56
6	Peppertree Pk.	\$9,988.00
7	Mission Blvd., Industrial Pkwy, & Arrowhead Wy.	\$139,200.00
8	Capitola St.	\$7,200.00
9	Orchard Ave.	\$1,110.00
10	Eden Shores	\$241,500.00
	TOTAL:	\$594,115.68

The estimated Fiscal Year 2005-06 expenditures for the proposed District facilities have been provided by the City of Hayward and are itemized by zone as follows:

For a detailed breakdown on the operation, maintenance and servicing costs for each Benefit Zone, please refer to Appendix "A."

The 1972 Act requires that a special fund be set up for the revenues and expenditures for the District. Funds raised by the assessments shall be used only for the purpose as stated herein. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

PART C

ASSESSMENT DISTRICT DIAGRAM

The boundary of the City of Hayward's Landscape & Lighting District No. 96-1 is completely within the boundaries of the City of Hayward. The Assessment Diagram for the ten (10) zones is on file in the Office of the City Clerk of the City of Hayward and shown on the following page of this report. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Assessor of the County of Alameda, for the year when this report was prepared, and are incorporated by reference herein and made part of this report.

APPROVED

 Mayor of the City of Hayward

IN WITNESS WHEREOF, I have hereunto set my hand and the seal of the City of Hayward, California, this _____ day of _____, 2004.

CITY CLERK, CITY OF HAYWARD
 COUNTY OF ALAMEDA, CALIFORNIA

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED EXCEPT WHERE SHOWN OTHERWISE. IT IS THE POLICY OF THE FEDERAL GOVERNMENT TO MAKE ALL INFORMATION CONTAINED HEREIN AVAILABLE TO THE PUBLIC UNLESS IT IS DETERMINED THAT DISCLOSURE OF THE INFORMATION IS UNLAWFUL OR WOULD BE DETRIMENTAL TO THE NATIONAL DEFENSE.

CITY CLERK, CITY OF HAYWARD, CA

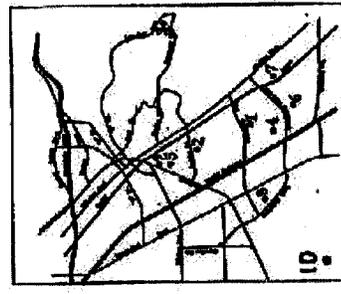

COUNTY AUDITOR'S CERTIFICATE
 I have examined the accounts and found them correct in accordance with the Auditor's Certificate of the State of California.

COUNTY RECORDER'S CERTIFICATE
 I have examined the accounts and found them correct in accordance with the Auditor's Certificate of the State of California.

ZONE 10: Edén Shores

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the operation, maintenance and servicing of landscaping and street lighting improvements.

Section 22573 of the Landscape and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."

The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000)) [of the Streets and Highways Code, State of California]."

In addition, Article XIIIID, Section 4(a) of the California Constitution limits the amount of any assessment to the proportional special benefit conferred on the property.

Because assessments are levied on the basis of benefit, they are not considered a tax, and, therefore, are not governed by Article XIII A of the California Constitution.

The 1972 Act permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22547). Thus, the 1972 Act requires the levy of a true "assessment" rather than a "special tax."

Article XIIIID provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways.

ZONE CLASSIFICATION

Each benefit zone is unique and distinguishable from other benefit zones located within the District. Each benefit zone is evaluated to determine which improvements are of a specific and direct benefit to the parcels in that benefit zone. Once the improvements have been identified, a method of spreading those costs to the benefiting parcels was developed.

As certain subdivisions develop throughout the City of Hayward, they may be annexed into an existing zone or there may be a new zone formed. Each new subdivision is evaluated to determine which improvements are of a specific and direct benefit to the parcels within the subdivision and then a determination is made whether to annex them into an existing zone or whether to form a new zone. The parcels, which benefit from the improvements, are identified and a benefit assessment spread methodology is developed to spread the costs of the improvements to the benefiting parcels.

The following is a listing of the various zones in the District, their corresponding number of parcels in each benefit zone, and the method of apportioning the costs of the improvements:

- **Zone 1 (Huntwood Avenue & Panjon Street)** Tract 6041

This zone was established in 1990 and the maximum assessment rate was set at \$265.64 per single-family residential parcel with no automatic allowance for a Consumer Price Index (CPI) increase each fiscal year. The special benefit derived by the individual lots is indistinguishable from each other. Therefore, each of the 30 parcels shall be apportioned an equal share of the total assessment for this zone. In FY 2005-06, the total revenue needed to operate and maintain the facilities within the zone is \$5,850.00. Since the amount needed to operate and maintain facilities in this zone remains below the base assessment amount, the following amount should be collected:

\$195.00 per parcel

• **Zone 2 (Harder Road & Mocine Avenue)** Tract 6042

This zone was established in 1991 and the maximum assessment rate was set at \$93.09 per single-family residential parcel with no automatic allowance for CPI increase each fiscal year. Due to the Harder Road underpass project, the landscaped areas which were previously maintained in FY 2000-01 were reduced in FY 2001-02 through FY 2003-04. The collection per parcel was proportionally reduced. The underpass project is now complete and the landscaped areas have been restored to the same levels as in FY 2000-01. The total revenue needed to operate and maintain the facilities within the zone for FY 2005-06 is \$7,225.00. The special benefit derived by the individual parcels is indistinguishable from each other. Therefore, each of the 85 parcels shall be apportioned an equal share of the total assessment for this zone. Since the amount needed to operate and maintain facilities in this zone remains below the base assessment amount, the following amount should be collected:

\$85.00 per parcel

• **Zone 3 (Hayward Boulevard & Fairview Avenue)** Tract 4007

This zone was established in 1992 and the maximum assessment rate was set at \$328.82 per parcel with no automatic allowance for a CPI increase each fiscal year. This base assessment rate does not allow for an annual increase based upon the prior year's change in the Consumer Price Index. In Fiscal year 2003-04, a group of property owners formed a Landscape Committee for the purpose of addressing the substandard landscaping conditions that have arisen in Benefit Zone No. 3. The Landscape Committee developed a comprehensive landscape plan and presented the plan to City staff and various property owners within Benefit Zone No. 3. This Landscape Committee is proposing to construct additional landscape improvements and to increase the level of maintenance for the existing and proposed landscaping. In FY 2005-06 the City will conduct a mailed ballot election to determine if there is sufficient property owner support to increase their assessments. The assessment increase may not be imposed if the number of returned ballots opposed to the proposed assessment increase are greater than the number of returned ballots supporting the proposed assessment increase. The proposed \$694.74/yr. increase consists of two components; \$365.70/yr. for increased maintenance and \$329.04/yr. for the construction of capital improvements. The assessment for constructing the capital improvements will only be charged for a three (3) year period. In FY 2008-09 the assessment increase associated with the construction of capital improvements will be eliminated. Each fiscal year hereafter, the base assessment rate for the increased maintenance costs may be increased annually based upon the prior years change in the Consumer Price Index for the San Francisco-Oakland-San Jose Area.

The special benefit derived by the individual lots is indistinguishable from each other. Therefore, each of the 152 parcels shall be apportioned an equal share of the total assessment for this zone. In FY 2005-06, the total revenue available (assuming the property owner election is approved) to operate and maintain the facilities within the zone is \$155,581.12. Therefore, each of the 152 parcels shall be apportioned an equal share of the total assessment for this zone. Since the collection rate is limited to the base assessment amount, the following amount should be collected::

\$1,023.56 per parcel

- **Zone 4 (Pacheco Wy, Stratford Rd, Ruus Ln, Ward Crk)** Tracts 6472, 6560, 6683 & 6682

This zone was established in 1995 and the maximum assessment rate was set at \$121.00 per single-family residential parcel with no automatic allowance for CPI increase each fiscal year. In 2002, the City sent out a notice and ballot to each affected property owner requesting their approval to modify their maximum assessment rate to include an allowance for an automatic increase that reflects the prior year's change in the Consumer Price Index. The results of the ballot tabulation revealed that there was a majority protest received, weighted by assessment amount, and therefore, the adjustment to the assessment formula was not imposed. The City has reduced the level of service within this benefit zone to coincide with the projected revenue to be received. The special benefit derived by the individual lots is indistinguishable from each other. Therefore, each of the 175 parcels shall be apportioned an equal share of the total assessment for this zone. In FY 2005-06, the total revenue available to operate and maintain the facilities within the zone is \$21,175.00. Since the collection rate is limited to the base assessment amount, the following amount should be collected:

\$121.00 per parcel

- **Zone 5 (Soto Road & Plum Tree Street)** Tracts 6641 & 6754

This zone was established in 1995 and the maximum assessment rate was set at \$139.12 per single-family residential parcel with no automatic allowance for CPI increase each fiscal year. In 2002, the City sent out a notice and ballot to each affected property owner requesting their approval to increase the maximum assessment rate from the current base amount of \$139.12 to \$199.12 and include an allowance for an automatic increase reflecting the prior year's change in the CPI each subsequent fiscal year. The results of the election revealed that there was a majority protest received, and therefore, the adjustment to the assessment formula was not imposed for FY 2002-03. The City has reduced the level of service within this benefit zone to coincide with the projected revenue to be received. The special benefit derived by the individual lots is indistinguishable from each other. In FY 2005-06, the total revenue available to operate and maintain the facilities within the zone is \$5,286.56. Therefore, each of the 38 parcels shall be apportioned an equal share of the total assessment for this zone. Since the collection rate is limited to the base assessment amount, the following amount should be collected:

\$139.12 per parcel

- **Zone 6 (Peppertree Park)** Tract 4420 & Lot 2 of Tract 3337

This zone was established in 1982 and the maximum assessment rate was set at \$2.61 per linear foot with no automatic allowance for CPI increase each fiscal year. The costs are spread to each parcel in proportion to the San Clemente Street frontage length to the overall San Clemente Street frontage within the district. The street frontage is based on the actual linear length of each parcel at the street right-of-way line. The overall street frontage is 4,994 feet from the San Clemente P.C.R. at Zephyr Avenue to the intersection of the northerly boundary of Lot 17 and San Clemente Street and the northerly boundary of Lot 2, Tract 3337. In FY 2005-06, the total revenue needed to operate and maintain the facilities within the zone is \$9,988.00. Since the amount needed to operate and maintain facilities in this zone remains below the base assessment amount, the following amount should be collected:

\$2.00 per linear foot

- **Zone 7 (Mission Boulevard, Industrial Parkway, Arrowhead Way)** Tract 7015

This zone was established in 1998 and the maximum assessment rate was set at \$597.57 per parcel with an automatic allowance for a CPI increase annually from April 1st to March 30th of each year. The base year for calculating CPI increases was set for April 1, 1999. On April 1, 1999, the CPI Index was set at 168.8. The CPI Index for December 1, 2004 was 195.9, which translates to a 16.05% (195.9/168.8) increase since the base year. Therefore, the base assessment of \$693.51 per parcel could be assessed in FY 2005-06. The special benefit derived by the individual parcels is indistinguishable from each other. Therefore, each of the 343 single-family parcels and the 5 parcels comprising the parks and golf course shall be apportioned an equal share of the total assessment for this zone. In FY 2005-06, the total revenue needed to operate and maintain the facilities within the zone is \$179,116.40 of which \$139,200.00 is being collected through the annual assessment, and the remaining \$39,916.00 is being funded through reserves. Since the amount needed to operate and maintain facilities in this zone remains below the base assessment amount, the following amount should be collected:

\$400.00 per parcel

- **Zone 8 (Capitola Street)** Tract 7033

This zone was established in 1999 and the maximum assessment rate was set at \$442.83 per parcel with an automatic allowance for a CPI increase annually from April 1st to March 30th of each year. The base year for calculating CPI increases was set for April 1, 2000. On April 1, 2000 the CPI Index was set at 174.9. The CPI Index for December 1, 2004 was 195.9, which translates to a 12.01% (195.9/174.9) increase since the base year. Therefore, the base assessment of \$496.00 per parcel could be assessed in FY 2005-06. The special benefit derived by the individual parcels is indistinguishable from each other. Therefore, each of the 24 parcels shall be apportioned an equal share of the total assessment for this zone. In FY 2005-06, the total revenue needed to operate and maintain the facilities within the zone is \$7,200.00. Since the amount needed to operate and maintain facilities in this zone remains below the base assessment amount, the following amount should be collected:

\$300.00 per parcel

- **Zone 9 (Orchard Avenue)** Tract 7063

This zone was established in 2000 and the maximum assessment rate was set at \$125.00 per parcel with an automatic allowance for a CPI increase annually from April 1st to March 30th of each year. The base year for calculating CPI increases was set for April 1, 2001. On April 1, 2001, the CPI Index was set at 184.9. The CPI Index for December 1, 2004 was 195.9, which translates to a 5.95% (195.9/184.9) increase since the base year. Therefore, the base assessment of \$132.44 per parcel could be assessed in FY 2005-06. The special benefit derived by the individual parcels is indistinguishable from each other. Therefore, each of the 74 parcels shall be apportioned an equal share of the total assessment for this zone. In FY 2005-06, the total revenue needed to operate and maintain the facilities within the zone is \$1,110.00. Since the amount needed to operate and maintain facilities in this zone remains below the base assessment amount, the following amount should be collected:

\$15.00 per parcel

- **Zone 10 (Eden Shores)** Tracts No. 7317, 7360 and 7361

This zone was established in June 2003 and the maximum assessment rate was set at \$775.00 per parcel with an automatic allowance for a CPI increase annually from

April 1st to March 30th of each year. The base year for calculating CPI increases was set for July 1, 2003. On July 1, 2003, the CPI Index was set at 192.25. The CPI Index for December 1, 2004 was 195.9, which translates to a 1.90% (195.9/192.25) increase since the base year. Therefore, the base assessment of \$789.71 per parcel could be assessed in FY 2005-06. The special benefit derived by the individual parcels is indistinguishable from each other. Therefore, each of the 525 parcels shall be apportioned an equal share of the total assessment for this zone. In FY 2005-06, the total revenue needed to operate and maintain the facilities within the zone is \$241,500.00. Since the amount needed to operate and maintain facilities in this zone remains below the base assessment amount, the following amount should be collected:

\$460.00 per parcel

PART E

PROPERTY OWNER LIST & ASSESSMENT ROLL

A list of names and addresses of the owners of all parcels, and the description of each lot or parcel within the City of Hayward's Landscape & Lighting District No. 96-1 is shown on the last equalized Property Tax Roll of the Assessor of the County of Alameda, which by reference is hereby made a part of this report.

This list is keyed to the Assessor's Parcel Numbers as shown on the Assessment Roll, which includes the proposed amount of assessments for FY 2005-06 apportioned to each lot or parcel. The Assessment Roll is on file in the Office of the City Clerk of the City of Hayward and is shown in this report as Appendix "B".

**APPENDIX A
DETAILED PROJECT COST BREAKDOWN**

Zone 1 - Fiscal Year 2005-06 Huntwood Avenue & Panjon Street	
	FY 2005-06 Budget
<u>I. MAINTENANCE COSTS</u>	
(a) Irrigation water	\$400.00
(b) Electrical energy	\$250.00
(c) Landscaping maintenance including debris removal, weeding, trimming, and spraying	\$2,500.00
(d) Masonry wall (surface maintenance)	\$500.00
Total Maintenance Cost	\$3,650.00
<u>II. INCIDENTAL COSTS</u>	
(a) Administration (City)	\$1,600.00
(b) Engineer's Report, preparation of documents, printing, and advertising	\$1,175.00
(c) County Collection Charges (1.7%)	\$99.45
Total Incidental Costs	\$2,874.45
<u>III. RESERVES</u>

HAYWARD CITY COUNCIL

RESOLUTION NO. _____

Introduced by Council Member _____

A RESOLUTION CONFIRMING DIAGRAM AND
ASSESSMENT AND ORDERING LEVY OF ASSESSMENT
FOR FISCAL YEAR 2005-2006 FOR ZONES 1 AND 2 AND 4
THROUGH 10 OF THE CONSOLIDATED LANDSCAPING
AND LIGHTING ASSESSMENT DISTRICT NO. 96-1

BE IT RESOLVED, by the City Council of the City of Hayward as follows:

WHEREAS, by its Resolution No. 05-018, the City Council considered and preliminarily approved the Engineer's Report for Landscape and Lighting Assessment District No. 96-1 (the "District"), declared its intention to levy assessments for fiscal year 2005-2006, and set April 26, 2005, at the hour of 8:00 o'clock p.m. in the City Council Chambers, 777 B Street, 2nd Floor, Hayward, California, as the time and place for the public hearing by this Council on the question of the levy of the proposed assessments for Zones 1 and 2 and 4 through 10 of the District, in accordance with and pursuant to the provisions of the Landscape and Lighting Act of 1972 (the "Act"); and

WHEREAS, assessments for the District are indicated in the appendix attached hereto and made a part hereof; and

WHEREAS, at the appointed time and place the hearing was duly and regularly held, and all interested persons desiring to be heard were given an opportunity to be heard, and all matters and things pertaining to the levy were fully heard and considered by this Council, and all oral statements and all written protests or communications were duly heard, considered and determined to comprise a protest by less than a majority and wherefore this Council thereby acquired jurisdiction to confirm the diagram and assessment which are a part of the Engineer's Report, and to order the levy of assessments for fiscal year 2005-2006 to pay the costs and expenses thereof.

NOW, THEREFORE, THE CITY COUNCIL FINDS, DETERMINES AND ORDERS, as follows:

1. The protests submitted by the owners of property in Zones 1 and 2 and 4 through 10 within the District in opposition to the assessment constitute less than a majority protest in each zone. Accordingly, any protests to the proposed assessments for fiscal year 2005-2006 are hereby overruled.

2. Based on the oral and documentary evidence, including the Engineer's Report, offered and received at the hearing, this Council expressly finds and determines (a) that each of the several lots and parcels of land will be specially benefitted by the maintenance of the improvements at least in the amount, if not more than the amount, of the assessment apportioned against the lots and parcels of land, respectively, and (b) that there is substantial evidence to support, and the weight of the evidence preponderates in favor of, the aforesaid finding and determination as to special benefits.

3. The public interest, convenience and necessity require that the levy be made.

4. The District benefitted by the improvements and assessed to pay the costs and expenses thereof, and the exterior boundaries thereof, are as shown by a map thereof filed in the office of the City Clerk, which map is made a part hereof by reference thereto.

5. The Engineer's Report as a whole and each part thereof, to wit:

- (a) the Engineer's estimate of the itemized and total costs and expenses of maintaining the improvements and of the incidental expenses in connection therewith;
- (b) the diagram showing the assessment district, plans and specifications for the improvements to be maintained and the boundaries and dimensions of the respective lots and parcels of land within the District; and
- (c) the assessment of the total amount of the cost and expenses of the proposed maintenance of the improvements upon the several lots and parcels of land in the District in proportion to the estimated benefits to be received by such lots and parcels, respectively, from the maintenance, and of the expenses incidental thereto; is approved and confirmed and incorporated herein.

6. The assessments to pay the costs and expenses of the maintenance of the improvements in the District, Zones 1 and 2 and 4 through 10, for fiscal year 2005-2006 are hereby levied.

7. Immediately upon the adoption of this resolution, but in no event later than the third Monday in August following such adoption, the City Clerk shall file a certified copy of the diagram and assessment and a certified copy of this resolution with the Auditor of the County of Alameda. Upon such filing, the County Auditor shall enter on the County assessment roll opposite each lot or parcel of land the amount of assessment thereupon as

shown in the assessment. The assessments shall be collected at the same time and in the same manner as County taxes are collected, and all laws providing for the collection and enforcement of County taxes shall apply to the collection and enforcement of the assessments. After collection by the County, the net amount of the assessments, after deduction of any compensation due the County for collection, shall be paid to the City's Finance Director.

8. Upon receipt of moneys representing assessments collected by the County, the Finance Director shall deposit the moneys in the City Treasury to the credit of the improvement fund previously established under the distinctive designation of the Consolidated Landscaping Assessment District No. 96-1. Moneys in the improvement fund shall be expended only for the maintenance, servicing, construction or installation of the improvements.

HAYWARD CITY COUNCIL

RESOLUTION NO. _____

Introduced by Council Member _____

RESOLUTION CONFIRMING DIAGRAM AND ASSESSMENTS,
AUTHORIZING AUTOMATIC ANNUAL ALLOWANCE FOR
CONSUMER PRICE INDEX ADJUSTMENT AND ORDERING
LEVY OF ASSESSMENTS FOR ZONE 3 OF THE CONSOLIDATED
LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT
NO. 96-1

WHEREAS, by its Resolution No. 05-018, the City Council considered and preliminarily approved the Engineer's Report for Landscape and Lighting Assessment District No. 96-1 (the "District"), declared its intention to levy assessments for fiscal year 2005-2006, and set April 26, 2005, at the hour of 8:00 o'clock p.m. in the City Council Chambers, 777 B Street, 2nd Floor, Hayward, California, as the time and place for the public hearing by this Council on the question of the levy of the proposed assessments for Zones 1 through 10 of the District, in accordance with and pursuant to the provisions of the Landscape and Lighting Act of 1972 (the "Act"); and

WHEREAS, notice of the proposed automatic allowance for Consumer Price Index adjustment, proposed assessments and assessment ballot were mailed to each property owner or record owner of each parcel in Zone 3, indicating that a public hearing, including an assessment ballot proceeding pursuant to the provisions of Article XIID of the California Constitution, was scheduled at the appointed time and place of said hearing; and

WHEREAS, at the appointed time and place said hearing was duly and regularly held, and all interested persons desiring to be heard were given an opportunity to be heard, and all matters and things pertaining to said levy were fully heard and considered by this City Council, and all oral statements and all written protests or communications were duly heard, and, at the appointed time and place, the City Clerk tabulated the weighted assessment ballots which were received and determined that there was not a majority protest concerning the proposed assessments and automatic allowance to reflect any adjustment in the prior year's Consumer Price Index; and

WHEREAS, this City Council thereby confirmed the diagram and assessment for Zone 3, prepared by and made a part of the report of said engineer to pay the costs and expenses thereof, and acquired the ability to order levy of the assessments and the automatic allowance for Zone 3 to reflect any annual adjustment in the prior year's Consumer Price Index.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Hayward that:

1. The protests submitted by the owners of property within Zone 3 of the District in opposition to the assessments and the automatic adjustment constitute less than a majority protest. Accordingly, any protests to the proposed assessments for fiscal year 2005-2006 and the automatic adjustments are hereby overruled.

2.. Based on the oral and documentary evidence, including the Engineer's Report, offered and received at the hearing, this Council expressly finds and determines (a) that each of the several lots and parcels of land will be specially benefitted by the maintenance of the improvements at least in the amount, if not more than the amount, of the assessment apportioned against the lots and parcels of land, respectively, and (b) that there is substantial evidence to support, and the weight of the evidence preponderates in favor of, the aforesaid finding and determination as to special benefits.

3. The public interest, convenience and necessity require that a levy on each lot in Zone 3, the exterior boundaries of which are shown by a map thereof filed in the office of the City Clerk and made a part hereof by reference, which is benefitted by the proposed assessment, be made in the amount of \$1,023.56 per lot to pay the costs and expenses of LLD 96-1, Zone 5; and

4. Said Engineer's Report, as a whole and each part thereof, to-wit:

- (a) the Engineer's estimate of the itemized and total costs and expenses of maintaining said improvements, and of the incidental expenses in connection therewith; and
- (b) the diagram showing the zones of the assessment district, plans and specifications for the improvements to be maintained and the boundaries and dimensions of the respective lots and parcels of land within the District, including Zone 3; and
- (c) the assessment of the total amount of the cost and expenses of the proposed maintenance of said improvements upon the lots in said zone of the district be made in proportion to the estimated benefits to be received by such lot, respectively, from said maintenance and of the expenses incidental thereto; and
- (d) an adjustment in the annual assessment for Zone 3 based upon any change in the prior year's Consumer Price Index;

is approved and confirmed and incorporated herein.

5. Adoption of the Engineer's Report as a whole, estimate of the costs and expenses, the diagram and the assessments, as contained in said report, as hereinabove determined and ordered, is intended to and shall refer and apply to said report, or any portion thereof, as amended, modified, or revised or corrected by, or pursuant to and in accordance with, any resolution or order, if any, heretofore duly adopted or made by this City Council.

6. Immediately upon the adoption of this resolution, but in no event later than the third Monday in August following such adoption, the City Clerk shall file a certified copy of this resolution, the diagram, and the assessments with the Auditor of the County of Alameda. Upon such filing, the County Auditor shall enter on the county assessment roll opposite each lot or parcel of land the amount of assessment thereupon as shown in the assessment. The assessments shall be collected at the same time and in the same manner as county taxes are collected, and all laws providing for the collection and enforcement of county taxes shall apply to the collection and enforcement of the assessments. After collection by the County of Alameda, the net amount of the assessments, after deduction of any compensation due the county of collection, shall be paid to the Director of Finance of the City of Hayward.

7. Upon receipt of monies representing assessments collected by the County, the Director of Finance of the City of Hayward shall deposit the monies in the City Treasury to the credit of an improvement fund, which improvement fund the Director of Finance is hereby directed to establish under the distinctive designation of said Consolidated Landscaping and Lighting Assessment District 96-1, Zone 3. Monies in said improvement fund shall be expended only for the maintenance, servicing, construction or installation of the improvements.
