

CITY OF  
**HAYWARD**  
HEART OF THE BAY

**DATE:** November 20, 2007  
**TO:** Mayor and City Council  
**FROM:** City Attorney  
**SUBJECT:** Approval of Fees to be Charged for Costs Incurred in 2006 for Administering the Residential and Mobilehome Rent Stabilization Ordinances

**RECOMMENDATION**

It is recommended that the City Council approves the following:

1. A fee of \$.93 per residential dwelling unit to recover costs incurred in 2006 for administering the Hayward Residential Rent Stabilization Ordinance.
2. A fee of \$.91 per mobilehome space to recover costs incurred in 2006 for administering the Hayward Mobilehome Rent Stabilization Ordinance.
3. Adopt the attached resolution amending the Master Fee Resolution to reflect the revised fees.

**SUMMARY**

This report outlines the bases for the imposition for fees to be charged for cost incurred in 2006 for administering the Residential Rent Stabilization Ordinance ("Residential Ordinance") and the Mobilehome Space Rent Stabilization Ordinance ("Mobilehome Ordinance"). A fee of \$.93 per residential dwelling unit is proposed for administering the Residential Ordinance and a fee of \$.91 per mobilehome space is proposed for administering the Mobilehome Ordinance.

**BACKGROUND**

This agenda report provides information on the calculation of fees to recover calendar year 2006 costs of administering the City's rent stabilization ordinances (jointly "Rent Ordinances"). The Residential Rent Stabilization Ordinance's annual program fee ("rental unit fee") is imposed annually on each residential rental unit which is subject to the Residential Rent Stabilization Ordinance. The Mobilehome Space Rent Stabilization Ordinance's annual program fee ("mobilehome space fee") is imposed on mobilehome spaces which are subject to the Mobilehome Space Rent Stabilization Ordinance.

Both fees are based on rent stabilization program administration costs incurred during the previous calendar year and are service fees that are not subject to the voter or property owner approval procedures contained in Proposition 218, which the voters adopted at the November 1996 election. Costs that can be attributed exclusively to one ordinance or the other are so attributed. Costs common to the administration of both ordinances are divided proportionately based on the number of residential units or mobilehome spaces in the City, which are subject to the ordinances. The majority of the rent program costs are recovered through the imposition of these fees.

## **DISCUSSION**

### **A. The Rental Unit Fee**

There are an estimated 45,000 residential units in Hayward, of which approximately 9,400 are subject to the rental unit fee. These include rental units currently subject to rent controls, as well as those which are no longer subject to rent limitations because they have gone through the decontrol procedures set forth in the Residential Ordinance ("decontrolled rental units") or partially decontrolled pursuant to state law when certain vacancies occur. Decontrolled rental units remain subject to the Residential Ordinance's good cause for eviction standards.

The proposed 2006 yearly rental unit fee is \$.93 per unit. This fee was calculated by allocating the costs of administering the Residential Ordinance for 2006 among the 9,400 rental units assumed to be subject to the rental unit fee. The data used to calculate this fee is summarized in Attachments A and B of this report.

The yearly rental unit fees for the last five years are as follows: The 2001 fee was \$ 1.45, the 2002 fee was \$.88, the 2003 fee was \$.58, the 2004 fee was \$.70, and the fee for 2005 was \$.81. The increase from last year's fee is due to more costs being attributable directly to administering the Residential Ordinance as well as several additional mediations this year.

Over the course of the year, the 2006 rental unit fee will result in a monthly cost of approximately \$.08 per unit. This figure is approximately the same per month per rental unit as last year. The Residential Ordinance allows the landlord to pass through up to fifty percent (50%) of the rental unit fee to tenants, which amounts to approximately \$.04 per month for each rental unit.

### **B. The Mobilehome Space Fee**

There are approximately 2,270 mobilehome spaces in the City of Hayward, which are subject to the Mobilehome Ordinance.

The proposed 2006 mobilehome space fee is \$.91 per mobilehome space. This fee was calculated by allocating the 2006 costs of administering the Mobilehome Ordinance among the 2,270 mobilehome spaces subject to the mobilehome space fee. The data used to calculate this fee is summarized in Attachments A and B of this report.

The yearly mobilehome space fees imposed for the prior five years are as follows: The 2001 fee was \$1.14, the 2002 fee was \$1.88, the 2003 fee was \$.68, the 2004 fee was \$1.21, and the 2005 fee was \$.89.

Over the course of the year, the 2006 mobilehome space fee will result in a monthly cost of approximately \$.08 per space. The slight increase in the mobilehome fee this year is due to administrative expenses. As with the rental unit fee, a mobilehome park owner may pass through up to fifty percent (50%) of the mobilehome space fee to mobilehome park resident-tenants, which amounts to approximately \$ .04 per month for each mobilehome space.

### **FISCAL IMPACT**

There is no known fiscal impact as a result of this action.

### **PUBLIC CONTACT**

Not applicable.

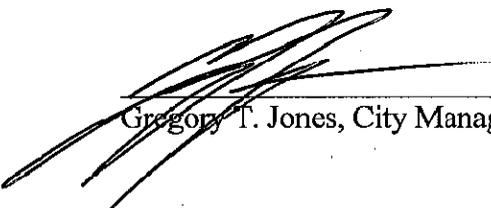

### **NEXT STEPS**

The letters to the mobilehome park and residential owners will go out on or before December 1, 2007. Fees are to be received and shall be delinquent if not received on or before 5 p.m. on December 31, 2007.

**CALCULATION OF FEES TO RECOVER CALENDAR YEAR  
2006 COSTS OF ADMINISTERING THE RESIDENTIAL AND  
MOBILEHOME RENT STABILIZATION ORDINANCES**

The proposed residential rental unit and mobilehome space fee this year is based on costs incurred during calendar year 2006. These fees are calculated as follows:

**STEP 1. DETERMINE TOTAL COSTS OF ADMINISTERING BOTH RENT ORDINANCES.**

The City spent a total of \$1,478.54 administering both ordinances during calendar year 2006. An additional \$9,346.84 is charged pursuant to the City's cost allocation plan for overhead costs, for a total program expenditure of \$10,825.38.

**STEP 2. DEDUCT EXPENDITURES SPECIFICALLY RELATED TO EITHER ORDINANCE.**

Costs specifically attributable to one ordinance or the other are identified where possible and then deducted as follows:

**STEP 2A. Mobilehome Ordinance Expenditures.** A total of \$185.11 was attributable solely to the mobilehome ordinance in 2006, exclusive of litigation costs related to the mobilehome ordinance and minor expenses.

**STEP 2B. Residential Ordinance Expenditures.** A total of \$1,293.43 was attributable solely to the residential ordinance in 2006 to compensate hearing officers for conducting arbitrations or mediations under the residential ordinance and minor expenses.

**STEP 2C. Subtract Step 2A and Step 2B Costs.** Subtracting the sum of the costs directly attributable to one ordinance or another (\$1,478.54) from the total amount spent on administering both ordinances (\$10,825.38), leaves \$9,346.84 in common costs.

**STEP 3. DIVIDE COMMON COSTS.**

The common costs of both rent ordinances are allocated by determining the total number of units subject to each ordinance and then establishing a ratio of the number of residential units to mobilehome spaces. Based upon records of the City and the Alameda County Assessor, there are approximately 11,670 dwellings covered by one ordinance or another. There are 2,270 mobilehome spaces which amount to approximately twenty percent (20%) of this total. The remaining eighty percent (80%) is comprised of 9,400 rental units, both controlled and decontrolled, covered by the residential ordinance. Dividing the common costs (\$9,346.84) in accordance with this ratio results in \$1,869.37 or twenty percent (20%) being attributable to the mobilehome ordinance and \$7,477.47 or eighty percent (80%) being attributable to the residential ordinance.

**STEP 4. TOTAL AMOUNT ALLOCATED TO EACH ORDINANCE.**

**STEP 4A. Costs Allocated to the Mobilehome Ordinance.** Mobilehome spaces subject to the mobilehome ordinance will be responsible for \$2,054.48 (\$1,869.37 plus \$185.11) in expenditures.

**STEP 4B. Costs Allocated to the Residential Ordinance.** Residential units subject to the residential ordinance will be responsible for \$8,770.90 (\$7,477.47 plus \$1,293.43) in expenditures.

**STEP 5. DIVIDE THE AMOUNT ATTRIBUTABLE TO EACH ORDINANCE BY THE NUMBER OF SUBJECT RESIDENTIAL UNITS OR MOBILEHOME SPACES.**

**STEP 5A.** To determine the fee for each mobilehome space, \$2,054.48 is divided by the number of mobilehome spaces subject to the ordinance (2,270), to yield a fee of \$.91 per mobilehome space. Mobilehome park owners may pass along up to one-half of the fee to mobilehome park tenants.

**STEP 5B.** To determine the fee for each residential unit, \$8,770.90 is divided by the number of residential units subject to the ordinance (9,400), to yield a fee of \$.93 per residential unit. Landlords are permitted to pass along up to one-half of the fee to tenants.
