Subject: Resignation

Good Morning Anne,

I am sorry to inform you and the CAC that I will no longer be able participate in the CAC because I have a lot on my plate right now and I feel that it is unfair that I won't be able to give time. I'm taking 15 units of school at Cal State East Bay plus I'm currently sponsored by Ameriprise to become a Financial Planner and I'm going through their regiment of training to take the series 7, series 6, and insurance exam. This process plus school is going to take me 3 months and takes up all my time. I'm sorry to quit on you guys like this but I literally have no time. Please e-mail me with any questions you have.
