Subject: Proposed Inclusionary Housing Relief Ordinance

Dear Fran,

I'd like to express BIA's strong support for the proposed IH Relief Ordinance as described in the City Staff's PowerPoint presentation, and being considered tonight by the City Council. Although I would have preferred to express our support in person tonight, unfortunately I am in Sacramento today and tonight. I would, however, appreciate your distributing this message of support to the City Council, along with my personal thanks to the Council and City Staff for the significant time they devoted to this important effort to help revive the devastated housing industry. This proposal truly represents the work of a productive partnership.

Best regards,

Paul
