City of Hayward
City Hall Building

Hayward, CA 94541-5007

Dear Mayor Sweeney,

September 11, 2001, is a date no American will ever forget. It is significant in so many ways but most important is the selflessness, bravery, and sacrifice demonstrated by the firefighters and police officers who responded that day. We honor those heroes as we remember their courage and their patriotism. They demonstrate the very best of America.

The Prospect Hill neighborhood wants to take this opportunity to thank our local heroes who serve and protect our neighborhood and our city. Every day firefighters, police officers, and other first-responders put their own lives on the line to save people and protect property. They have a significant positive impact on our community and our lives. We want them, both volunteers and paid employees, to know that we appreciate their sacrifices and the work they do to make our community a better place.

We often take their presence for granted but events like September 11, remind us that their dedication is real and their value to our community immeasurable. We ask that you take a moment to remember the heroes of 911 and we respectfully request that you relay our appreciation and thankfulness to all of the local heroes who serve to make Hayward a better and safer place.

Sincerely yours,

Al Parso, President
Prospect Hill Neighborhood Association
