Re: Support for Extension of Inclusionary Housing Relief Ordinance

Dear Mayor Sweeney and Council Members:

The Building Industry Association of the Bay Area strongly supports the proposed extension of the effective date of the City's Inclusionary Housing Relief Ordinance (IHRO). While I regret that I am unable to attend tomorrow's Council meeting, I want to ensure that the Council is aware of BIA's strong support for the staff proposal and its appreciation for the City's recognition that while there are some pockets of strength in the Bay Area new housing sector, the overall situation (including in the City of Hayward) remains very challenging. BIA therefore urges the Council to extend the IHRO.

Yours very truly,

Paul Campos  
Sr. V.P. & General Counsel
